

Women's Interest Group 2016

Dear IASSW members!

Welcome to the Women's Interest Group!

Please, take few minutes and fill out this questionnaire which will help us to focus on important issues regarding women. The Women Interest Group wishes to make a larger network of social work academics and educators who have an interest in the area.

1. Which are the most pressing women's issues in your country where you work and/or live?

2. What do you think is the most pressing current issue which are faced by women where you work and/or live?

3. Please describe your personal interest in the area of women's issues?

4. If you are an educator how are women's issues currently being addressed in the curriculum/course?

5. What do you see as women's human rights issues which are important to deal with in the near future?

5. Would you be interested to be involved in the future network of the Women Interest Group? If yes, please write you name, address, institutional affiliation and your e-mail. Thank you very much!

Please, send the questionnaire to the addresses:
