Hanoi 22- 24 November 2017

Venue: University of Labour and Social Affairs (ULSA)

Programme objectives

- I. To provide capacity building opportunities for a core group of social work educators and senior social work practitioners in Vietnam with the aim of nurturing a critical mass of social work educators in the country, so that they will take up the leadership to develop social work education in Vietnam and the region.
- II. To develop locally relevant social work training resources for Vietnam.
- III. To develop a learning community among social work educators in Vietnam to enhance mutual learning and support.

Major focus of the programme

- I. Focusing on the trainees (social work educators and practitioners) as whole persons and to nurture them to become effective educators and practitioners who have the commitment and passion for social betterment.
- II. Training social work educators and practitioners by using methods and skills that are research-oriented and evidence-based are contextually relevant.
- III. Developing social work curricula and field education in partnership with local government and NGOs.

PROGRAMME LEADER & TRAINER: Ms. Janet WILLIAMS (United Kingdom)
