Cybercounselling Online, Level 1

September 14th - December 20th, 2018

This course is for experienced counselling practitioners who want to offer professional, ethical online counselling to their clients. We cover video, live text-chat and email-style communications methods. You will engage in hands-on text-based work with both asynchronous (secure email) and synchronous (chat) approaches.

Fits into your schedule*

- three 4-week modules (12 weeks total)
- completely online
- most assignments are asynchronous

Certificates of completion are issued by
Worldwide Therapy Online

*The course requires a time commitment of 5 to 7 hours per week.

Intensive learning

- low student/instructor ratio
- continual discussion with peers; a forum to practise online communication skills
- includes personal clinical feedback from instructor each Module

Topic sampler

- enhance the therapeutic alliance online
- ethical and practical issues in video counselling
- text-based communication and counselling skills

"I was an admitted sceptic about the ability of on line counselling to truly work with our clients but now feel it will be a great added resource to the services we provide."

"I will continue to practice my cybercounselling techniques. I did learn a strong foundation to begin to practice online therapy with clients."

"I enjoyed everything about this course."
