

# International Seminar on **Disaster Preparedness and Sustainable Development**

 **Mar 22, 2022**

 **GMT 12noon - 2pm  
(Singapore time 8-10pm)**

# About the Seminar

---

In conjunction with World Social Work Day 2022, the international seminar will position “Social Work in an Eco-Social World” and help build new partnerships and alliances. We join with social workers all over the world in a concerted effort towards ‘Co-building a New Eco-Social World: Leaving No One Behind’.

The International Seminar, jointly organized by IASSW with GISW aims to network practitioners, researchers and educators in the social work and the field of disaster risk reduction and management for sharing best practices in crisis and disaster management focusing on sustainability
