About GUNI-CCERT

Ganpat University - Centre for CSR, Education, Research and Training (CCERT) has been established with an aim to enhance the socio-economic status of the underprivileged people. The key areas identified for interventions include education, health and hygiene, sustainable livelihood, gender equality and women empowerment. We have come a long way following a small beginning in January 2021, and have implemented a wide variety of projects related to quality education, livelihood, skill development for underprivileged, low cost sanitation, alternate energy sources, self-help groups, vocational training to youth, and women empowerment in Mehsana District of Gujarat state and many projects have been implemented on pan India. we are associated with NSDC, ICICI Foundation, SBI Life, GAPCL, SIDBI, Shree Foundation and many more corporates for their different CSR Project. We have also received NGO grading of NGO 2A from Care edge reflecting High Delivery capability and high Organizational capability to implement community development projects. Working with a team of committed people, CCERT's aim is to secure integrated development through Corporate's participation and partnership. Our efforts have developed lasting association with government, non-government and corporate organizations with whom we have worked.

About the Summit
